

Power Up Asynchronous Learning Days

BEST PRACTICES

- ⚡ Grade and provide timely, meaningful feedback
 - ⚡ Analyze student data
 - ⚡ Plan upcoming lessons
 - ⚡ Conference with parents, as needed and scheduled
-
- ⚡ Work on existing asynchronous assignments
 - ⚡ Collaborate with peers on projects and group assignments
 - ⚡ Complete credit/grade recovery work
 - ⚡ Attend tutoring, as needed with FEV Tutoring
 - ⚡ Study
-
- ⚡ Use your district's technology resources (see our [Instructional Technology Homepage](#) or our [Stream Channels](#)).
 - ⚡ Plan lessons that allow you to [Teach Above the Line \(SAMR\)](#).
 - ⚡ Use [The 4 C's](#) to guide your selection of instructional technology.
 - ⚡ Don't forget about the [Canvas Guides](#) for assistance with navigating Canvas.
 - ⚡ If you need additional help using technology resources or implementing best practices, contact our In-Tech Support team at intechsupport@boe.richmond.k12.ga.us.
