

[Count on Me](#) By Bruno Mars

Help your friends count on you, even when we have to stay home!

Think: How does this song and video make you feel?

Count on me:

1. Draw pictures to post on your social media or upload to your class page to share with your teachers and classmates.
2. Draw a card for a friend, scan and email to them.  
(OPTIONAL: Ask a friend for their address and place card in an envelope and mail it to them).
3. Pick up the phone and call a friend to say Hello or ask an adult to help you with a video chat.
