

_____ The Priority Standards on the curriculum map outline the new content to be explicitly taught during that unit. While new content is the focus of the unit, students should be reading and reinforcing previously taught standards/skills. Spiral review is used _____ to help keep important skills at the forefront of students' minds while still moving on to new content. *All standards to include Reading Foundational, Speaking, Listening and Language should be taught and assessed throughout the school year.* The reading informational and literary standard 1 are supporting standards. Writing Standards 4-10 and Language Standards 2-6 are _____ supporting standards.

The suggested instructional pacing schedule is _____ and can be adjusted; however, the sequence of instruction should not be altered. Teachers should adhere to the guide as closely as possible to ensure completion of all units of study during the semester/year.
