How many points out of 100 did your school earn for Progress?

Closing Gaps

Closing Gaps addresses the question: are all students and all student subgroups making improvements in achievement rates? This component is based on CCRPI improvement targets for academic achievement, which are represented by improvement flags. For each available academic achievement improvement target, 0 points are earned when performance does not improve (red flag), 0.5 points are earned when progress is made but the target is not met (yellow flag), and 1.0 point is earned when the target is met (green flag) by all subgroups, except Economically Disadvantaged (ED), English Learners (EL), and Students with Disability (SWD). Economically Disadvantaged (ED), English Learners (EL), and Students with Disability (SWD) subgroups earn 1.5 points when a 3% improvement target is met (green flag with a star). This incentivizes greater improvement among these historically underperforming subgroups.
