

## Mathematics

### Kindergarten

out covering everything. Instead, focus on the most important topics in kindergarten.

**TAALKING TO YOUR CHILD'S**

When you talk to the teacher, do not worry about keeping the conversation focused on the most important topics. This includes:

<i>Helpful websites to help students master the first and second nine week concepts:</i>	
<a href="https://www.khanacademy.org/commoncore/grade-K-CC">https://www.khanacademy.org/commoncore/grade-K-CC</a>	
<a href="https://www.khanacademy.org/commoncore/grade-K-NBT">https://www.khanacademy.org/commoncore/grade-K-NBT</a>	
<i>Students should know and be able to:</i>
