Parent and Family Engagement

Blythe Elementary believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

That parents play an integral role in assisting their child's learning.

That parents are encouraged to be actively involved in their child's education at school.

That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

The carrying out of other activities as described in this plan.

Blythe Elementary is committed to helping our parents and families attend the family activities listed in this policy. Please call or email us if you need assistance with childcare or transportation in order to participate in our programs.
