Lowe's Provides Resource Grant to SkillsUSA Chapter at Marion E. Barnes Career Center

(AUGUSTA, GEORGIA)—The Richmond County School System is pleased to announce that Lowe's and SkillsUSA have awarded \$1,000 worth of educational materials to the SkillsUSA chapter at the Marion E. Barnes Career Center. Only four schools/programs in Georgia received this grant.

In addition, students from the Marion E. Barnes Career Center won first place medals in the 2020 SkillsUSA State online competitions for Chapter Display and for Community Action Project.

"The Richmond County School System is dedicated to workforce development and the Marion E. Barnes Career Center offers a successful workforce preparation program for students." — [Name Redacted]

SkillsUSA and Lowe's have teamed up on this grant program to support emerging SkillsUSA programs in career and technical education classrooms across the nation. The grant provides 100 eligible chapters with \$1,000 worth of educational materials and provides teachers with additional resources to support student led learning through the SkillsUSA Framework.

"It is thrilling to see new SkillsUSA programs receive these chapter resources," said SkillsUSA executive director Chelle Travis. "These grants from Lowe's remove financial barriers to excellence and ensure that new chapters start off on the right foot, armed with quality classroom resources for the betterment of our teachers and students."

SkillsUSA is dedicated in academics. This SkillsUSA Framework work and in life, while helping to close the skills gap in which
